FEDERAL BUREAU OF INVESTIGATION

Date of entry 01/20/2023

Witness A was interviewed at the United States Attorney's Office for the Eastern District of Washington in Spokane, Washington. **Witness A** was joined by her attorney [REDACTED], email [REDACTED]. Assistant United States Attorney Richard Barker also participated in the interview. After being advised of the identity of the interviewing Agent and the nature of the interview, **Witness A** provided the following information:

Witness A noted that her legal name remains **Witness A** because she is not yet divorced from her husband, **Witness A's Husband**, but that she uses the last name [REDACTED]

Witness A estimated her last contact with Ronald Ilg was about a week after the FBI initially contacted her. **Witness A** is no longer in a relationship with Ilg.

W-A Spouse had been Ilg's cellmate in Spokane County Jail. When **W-A Spouse** got out of jail he was going to live in Ilg's house but Ilg's ex-wife Correna Cockrill (Correna) would not let him. **W-A Spouse** thought Ilg was innocent. **Witness A** noted this was before Ilg plead guilty. **W-A Spouse** told **Witness A** that Ilg wanted him to check on **Witness 1**, **Victim 2**, and **Minor 1**

Witness A stated that Ilg was obsessed with **Witness 1**. **Witness A** conversations with Ilg would frequently go back to **Witness 1**. Ilg would tell her that she and **Witness 1** would be great friends.

When asked if Ilg directed her to contact **Witness 1**, **Witness A** believed Ilg indirectly did. Ilg mentioned **Witness 1** and his ex-wife **Victim 2** as "M" and "J". Ilg wrote **Witness A** many letters that she felt implied for her to contact **Witness 1** and **Victim 2**. Ilg didn't explicitly direct her to contact **Witness 1** but would say things like, "**Witness 1** would be a great person to help you."

If **Witness A** was going to marry Ilg, she felt she should contact **Witness 1** to talk about Ilg. **Witness A** saw **Witness 1**' full name in one of Ilg's letters and looked up her information.

In Ilg's letters to **Witness A** he still claimed he was innocent or forced into a plea.

Ilg's initial letter to **Witness A** was soliciting her to work for him to handle his public relations. Ilg thought he could make money from the publicity he got.

Witness A received a letter with artwork which Ilg claimed another cellmate wrote. However, **Witness A** explained that she knew his handwriting from all the other letters he'd written and it was from Ilg. The letter referenced a red barn or shed, a burner phone, and a child involved she assumed to be Ilg's young son with **Victim 2**. The letter suggested reporting a crime of child abuse using the burner phone.

Witness A claimed to have multiple letters from Ilg in her possession still. She agreed to provide some of these letters to her attorney to share with the government.
